

PROJECT IDEA FOR CLIMATE ACTION

Interreligious and Intercultural Dialogue Regional Youth Training on Environmental Protection

Dialogue in Action: Strengthening Youth Leadership for Climate Action in Southeast Asia

INSTRUCTIONS: Please prepare a clear and concise project concept note and attach it in PDF format to the online application form. Use the following file name format: **Project Idea_Your Country_Your Last Name**. Ensure that the document is complete, easy to understand, and directly addresses the required sections before submission.

Please note: This is an initial proposal which we expect will grow and develop during the training programme. At this stage, we are looking for innovative ideas and local community connections rather than a perfectly formed project.
